WHY CHOOSE ME?

Anyone can go out and purchase a camera and some software to make a video...
It takes a professional to get it done right and true passion to do it well.

PROFESSIONAL: I am a professional award winning video editor with a background in script writing and storytelling. I will tell your story in a highly creative and out-of-the-box way of thinking that you would've never even thought possible.

TIMELY: I work fast and efficiently to ensure that you will always meet your deadlines.

AFFORDABLE: I can assure you, my fees are very reasonable. I can accomplish what other editors would charge a lot more for.

No outsourcing! I believe that true passion comes from within and there's no greater satisfaction than to commit to what you're passionate about and to do it yourself. All my work is U.S. - based and done locally within Ann Arbor, Michigan.

Please check out my website, my work, and when you're ready, give me a call. I'd love to hear from you.

Allow Me

With a full in-house, 100% U.S. - based, post-production suite, you and your team can feel at ease knowing that you, and your film, are in very reliable and capable hands.

You can go ahead and take that well deserved coffee break knowing that I got this.

I will take your raw footage, work closely with the producer and/or director, and help to tell the story that you want to tell by crafting out a powerful finished masterpiece.

Contact me before production begins and I will work with you and your team before, during, and after shooting to ensure we both have the proper tools and resources needed to ensure the highest quality product from conception through to completion.

Your production is well under way? No problem.

Contact me ASAP and bring me up to speed with what your production is about and what your particular needs are and I'll help you to get it finished on time and with the quality and professionalism you deserve.

Crunch time? No sweat.

With my ultrafast turnaround times, you'll never miss a deadline again. I can easily be reached Monday through Friday, with extended availability upon request, to ensure that your production runs smoothly, and on schedule, without any delays.
